\*All prices are Manufacturer's Suggested Retail Price (MSRP). MSRP excludes destination and handling charges, tax, title, license, and options. Retailer sets actual price. [1] 2014 EPA Fuel Economy Estimates. Actual mileage may vary with driving conditions. Use for comparison only. [2] Always give your full attention to driving. Avoid operating your iPod® in such a way that you can be distracted during vehicle operation. See Retailer for details. iPod® is a registered trademark of Apple Inc. All rights reserved. iPod® not included. [3] Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone owner's manual for details. The Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Infiniti is under license. Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. [4] Required SiriusXM Satellite Radio, Sirius Travel Link traffic and weather subscriptions sold separately and are continuous until you call SiriusXM to cancel. Installation costs, one-time activation fee, other fees and taxes will apply. Sirius Trave traffic available in select markets. Satellite Radio U.S. service and Sirius Travel Link weather service available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at siriusxm.com. ©2013 Sirius XM Radio Inc. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. [5] Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. [6] Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. [7] The Front and Rear Sonar System is a convenience, but not a substitute for proper parking procedures and/or backing procedures. Always check that it is safe to do so before moving forward or backing up. May not detect every object in front of or behind you. [8] Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your owner's manual for more details. [9] VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely. [10] Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. [11] Intelligent Cruise Control (Full-Speed Range) is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. [12] May require additional options or option packages. [13] Some accessories may require installation, which is not included in the Manufacturer's Suggested Retail Price (MSRP). Retailer sets actual price. [14] The Advanced Climate Control System with Plasmacluster air purifier helps scrub the air in the vehicle's interior. The system senses exterior odors, suppresses unpleasant interior odors, stops the inflow of external odors and helps keep the cabin smelling fresh, but does not always eliminate odors. [15] Driving is serious business. Avoid operating Infiniti Connection™ and Infiniti Connection Plus services in a way that you are distracted while driving. Subscription Agreement required to enroll. Initial 12 months, beginning on your date of purchase, included complimentary. Subsequently, your credit card (if on file) will be charged at the then current subscription rate and your service will continue for 1 year periods under the terms of your Subscription Agreement, unless cancelled. Services require compatible 2G GSM/GPRS cellular network provided by independent cellular companies not within Infiniti's control. 2G cellular network not available in all areas. In areas with 2G network coverage, signal strength may vary and/or not be available at all times. Cellular technology is evolving, and changes to cellular networks may affect future service functionality. Ask your cellular network carrier for details on anticipated 2G network availability in your area and how this may affect your planned usage. Should a cellular provider terminate/further restrict network service, service may be suspended or terminated without notice or liability to Infiniti and/or its agents. Infiniti is not responsible for any equipment replacement or upgrades, or associated costs, that may be required for continued operation due to cellular network changes. Terms and conditions of Subscription Agreement apply. Standard text rates and/or data usage may apply to communications received by email or SMS/text message. [16] Distance Control Assist helps maintain a distance to the vehicle in front of you under certain conditions. Not a collision avoidance system. Failure to apply the brakes could result in an accident. [17] The Blind Spot Warning/Blind Spot Intervention® systems are not substitutes for proper lane change procedures. The systems will not prevent contact with other vehicles or detect every vehicle or object around you. [18] BCI will not detect every object, and speed limitations apply. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. Check owner's manual for details. [19] IBA is not a collision avoidance system. It may not provide warning or braking in certain conditions. Never rely solely on IBA. [20] PFCW is intended to warn you before a collision occurs; it cannot prevent a collision. accidents due to carelessness or dangerous driving techniques. Speed limitations apply. Always drive safely. [21] The Lane Departure Warning/Lane Departure Prevention Systems operate only when the lane markings are clearly visible on the road. Speed limitations apply. See owner's manual for details. [22] Driving is serious business and requires your full attention. Do not operate any devices connected to the auxiliary audio input jack or USB connection port while driving. iPod is a registered trademark of Apple Inc. All rights reserved. iPod not included. [23] AVM with MOD cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicles speeds below 5 mph. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up.
